Dear Parent,

Re: School Meal Prices

At a Cabinet meeting held on 12th February 2015 a decision was taken to increase the school meal prices for the new financial year 2015/2016. Therefore I wish to advise you that the price of a meal for school pupils will increase with effect from Monday 13th April 2015. The new prices will be as follows:-

- **Adult - £2.85**
- **Secondary - £2.65**
- **Primary - £2.40**

RCT Catering Services aims to offer a healthy nutritious meal at lunchtime and menus are available on the council's web site. The catering staff at the school are happy to help and can provide the menus. They are also able to cater for special dietary needs supported by medical or dietician's requests.

The food and drink provided in schools can make a positive contribution towards giving children and young people a healthy balanced diet and also encourages them to develop good eating habits.

For information, details of the Cabinet report and decision can be found via the link below:
