Dear Student,

We are pleased to inform you that as a student of Rhondda Cynon Taf, you are eligible to download Windows 10 Education absolutely free via the Microsoft student use benefit program.

You can access this free offer here: <https://rctcbc.onthehub.com/>

Even if you have already done the free upgrade to Windows 10 Home Edition on your personal machine, you are still encouraged to order Windows 10 Education. You will be receiving a much better version of Windows and simply need to enter your new Windows 10 Education product key via the Windows System menu to unlock the additional features.

If you are a Windows XP or Vista user, then Windows 10 Education will also allow you to upgrade to Windows 10.

If you are a Mac user, you will be able to run Windows 10 Education on your Mac via virtualisation software such as Parallels.

Please visit <https://rctcbc.onthehub.com/WebStore/Support/WebStoreHelpContents.aspx> for any questions you may have.
