

Name:

Luke Williams

Dates at Hawthorn:

2005-2012

Primary School Attended:

Ffynnon Taf Primary School

Current Job:

Student Ambassador

Name of Employer:

University of Bristol

Career Highlights:

Working with students on schemes hosted by the University of Bristol, schemes that promote the idea of University and give a real taste of it. It's been a privilege to work on the Sutton Trust Summer School for example which has even seen some students of Hawthorn attend! I have also worked as a sort of student lecturer aiding in the teaching of one of the modules whilst there too, which was a highly rewarding experience!

Greatest Achievements:

Academically, securing a solid 1st class Masters MSci degree in Mathematics from the University of Bristol has to be right at the top. On the more social spectrum, I've been in numerous societal committee positions including Secretary of the Modern Jive and Welsh societies in Bristol!

Before and during University, I achieved a Black Belt in Tae Kwon Do, grade 7 in Pianoforte and also secured the Bristol Plus Award during my studies!

Favourite memories at Hawthorn:

Back when I was in High School, I was Head Boy, and that brought with it so many exciting opportunities to get involved in, which included so many charity events, feeling generally important and of course the Graduation Ball. But even before that, I have fond recollections of the Music Department where I spent a lot of my free time in the school orchestra and choir for many years! In classes, I even remember having a few sign language lessons which was so cool and I wish I could remember what I learnt from it!
