

**Name:**

Mark Anthony Fry

**Dates at Hawthorn:**

1988-1996

**Primary School Attended:**

Parc Lewis Primary

**Current Job:**

Cabin Service Supervisor

**Name of Employer:**

Virgin Atlantic Airways

**Career Highlights:**

I've worked for Virgin Atlantic for the last 14 years and as you can imagine there has been many highlights. I've seen some amazing places and visited some of the 'Wonders of the World'. I've met some lifelong friends and worked with some wonderful people. It gives me great pleasure to know that at the end of my working day I would have made at least one person very happy.

**Greatest Achievements:**

I was chosen by the Cabin Crew Management Team in 2010, to be part of the flying team that worked alongside the Government to fly the Prime Minister around the world. It was my team and I that had the pleasure of flying David Cameron PM and his team to Perth and Australia to attend G8 summit preparations. In 2004 I was put forward for the Cabin Crew Heroes Award for Outstanding Customer Service.

**Favourite memories at Hawthorn:**

There are so many that I could choose from; I was part of the school Drama Group and Music Orchestra. I would probably say that performing with those two groups gave me the most memories. I made lots of close friends that I am still in contact with to this day.
