Name of Employer:

British Council

Career Highlights:

Watching the pupils finally understanding a lesson that you were responsible for.

Greatest Achievements:

Being accepted at University and being accepted to work as an Assistant in France.

Favourite memories at Hawthorn:

The number of trips over the years, Hawthorn's got Talent on the last day of every year and snowball fights when snow would fall during the school day. Walking over to the 'golden trio' of shops; Legs, Premier and Panini's every lunch time, the countless times the whole school would march itself across to the 'Red Gra' for a false alarm and hearing the whispers of the most likely culprit.
