Current Job:

Account Director (Sales)

Career Highlights:

With any career in sales, the highlights tend to be the big deals and achieving targets. I have been fortunate to do this throughout my career, which I would not have been able to do without a sound education.

Greatest Achievements:

I currently work for HP, one of the largest IT companies in the world. I would think that this is probably my greatest achievement during my career, again, not possible without working hard at school.

Favourite memories at Hawthorn:

I have a lot of fond memories from my time at Hawthorn, making friends and competing for the school at sport being my highlights.
