Dear Parent/Guardian,

**RE: SCHOOL UNIFORM 2016 – 17.**

As we approach the end of the school year might I take this opportunity to remind you that school blazers are compulsory for all pupils in years 7-11 from September 2016.

Would parents of current Year 8 students please note that, in order to emphasise the significance of next year's studies for your sons/daughters and the fact that many GCSE courses will be starting during the year, Governors have decided that the current upper school uniform will apply for those pupils from September. In practice this will mean that next year's Year 9 pupils will be required to wear the **grey school blazer** and **black tie** with the option of a **black** jumper to wear under the blazer in cold weather. Our uniform suppliers have been notified of the changes and uniform packs will be amended accordingly.

Yours sincerely

Mr J N Hicks
