Dear Year 7 Parent / Carer,

Re: Year 7 Skills Builder Event: 2nd December, 2021

As part of our ongoing work to support pupils' skills, both inside and outside the classroom, Year 7 pupils and their form tutors will be taking part in a Skills Builder event, which will be held in school on Thursday, 2nd December. During the day pupils will work together on a project called 'Active Minds' which aims to support pupils' leadership and teamwork skills.

Following on from this event, pupils will be supported to develop these essential skills, and others, such as Staying Positive and Aiming High. We firmly believe developing these skills in our pupils will help support academic progression and attainment and will serve as a useful platform for learning and acquisition of other transferable key skills.

We kindly ask all year 7 pupils to wear their school PE Kit to school on Thursday, 2nd December.

We look forward to a successful day and an opportunity to further develop and support a positive mindset for our pupils.

Thank you for your continued support,

Best wishes,

Mrs K Gwyn
